Started working as a CIR at
Tokushima city hall

What's a CIR

A governmental organization, CLAIR organizes the JET programme and selects people from around the world to work in Japanese local govt. bodies in order to promote internationalization in Japan. As a part of my job, I translate, interpret, organize events, visit schools and a bunch of other work related to cultural exchange.

Hobbies

I like to sing, dance,
play sports, travel,
watch shows and try
new things!
